Query #	Interested Developer Query	KAPP Query Reply
1	Should interested developer need to send a representative to collect RFQ document at PTB office or PTB can email RFQ to developer?	Interested developers must send an authorized representative to collect the RFQ document. The authorized representative must present valid identification and an authenticated original hard copy of its authorization to pay for and collect the RFQ package and who must sign, on behalf of the relevant interested developer, the required purchase documents at KAPP's (formerly PTB's) offices.
2	Besides using cashiers' cheque, can developer use other payment method such as bank transfer to PTB to purchase RFQ?	A cashiers' cheque issued from any operating bank within Kuwait, including local and foreign banks in the State of Kuwait, is the only accepted method for purchase of RFQ package.
3	Regarding to the purchasing of Request for Qualification (RFQ) and incase of consortium, should all consortium members buy the RFQ? Or one member to buy the RFQ is sufficient?	A member of a consortium can purchase the RFQ package on behalf of that consortium.
4	With reference to the above mentioned subject, We would like to clarify if this project will be subject to PPP law. Could you please advise?	Please refer to Article 6 of Law 39 of 2010 and Article 47 of the 116 of 2014. It is available through the following link http://www.ptb.gov.kw/en/Legislation
5	I have some unclear points. Especially as for 3.a minimum criteria, at least 35pct of the Equity of the project is required for Eligible Project. I just want to confirm that this means at least 35pct of the Equity "excluding public entities, governmental agencies or procurement body" in case of Kuwait	Limb (v) of the definition of "Eligible Project" is clarified that the reference to Equity shall be read as 35% of the Equity of the Project collectively held by the bidder investor(s) (i.e. excluding any Equity provided by a tendering authority, the off-taker and/or any other public or local entity, to the extent the Equity participation of such entities was required under the RFP documents).

	<p>or Abu Dhabi model project. Could you confirm my understanding is correct?</p>	
6	<p>Can we buy the PQ documents on behalf of our head office? And what are the documents required for KAPP in order to release such PQ documents to us?</p>	<p>Interested developers must send an authorized representative to collect the RFQ document. The authorized representative, who may be a local or regional representative of the interested developer, must present valid identification and an authenticated original hard copy of its authorization to pay for and collect the RFQ package and who must sign, on behalf of the relevant interested developer, the required purchase documents at KAPP's (formerly PTB's) offices, as well as authentication letter of the signature of the authorizing person from that interested bidder.</p>
7	<p>We do possess vast experience in developing power plants; however, we fall short on a few requirements set for COD, ownership and shareholding. We seek your confirmation on whether we could still be considered to qualify for this project.</p>	<p>KAPP will only assess the satisfaction of the RFQ Minimum Criteria upon submission of the SoQ. This rule applies to all applicants to the RFQ process.</p>
8	<p>Our company is interested in purchasing the RFQ package for both Al-Khairan Phase 1 and Az-Zour North 2 as per the attached RFQ advertisement. However, we are unable to produce cashiers' cheque issued from a local Kuwait bank as we do not have an account or partner there yet. Would it be possible to complete payment from our side either via telegraphic transfer, bank guarantee</p>	<p>A cashiers' cheque issued from any operating bank within Kuwait, including local and foreign banks in the State of Kuwait, is the only accepted method for purchase of RFQ package.</p>

<p>9</p>	<p>we would also like to inquire on the intended share capital allocation in the Project Company for the successful bidder</p>	<p>As per clause (1) of IPP/IWPP law 39/2010, the intended share for the successful bidder would be not less than 26%. The project teaser document for Al-Khairan project, available at our website, demonstrated the contractual structure.</p>
